ELIGIBILITY REQUIREMENTS

Financial assistance is available for all camps with the exception of goalkeeper camp and player development programs. Aid is awarded on a program by program basis only—a new application needs to be submitted for each camp or training session. Note that financial aid awarded for one program does not necessarily indicate financial assistance for future programs. Available funds for these camps are \$300 maximum per child during the calendar year. Financial assistance is not provided to applicants from outside of the United States.

To fairly distribute available funds an in-depth application is required with supporting documentation. Depending on your household size and income, qualifying households may get 30%, 20%, or 10% of fees covered towards registration fees up to \$300 maximum per player. No applications will be considered without supplying supporting documentation.

100% scholarships are not awarded. After applying for financial assistance the balance of the program fees will be due at the time of registration. Payments may be made by Cash, Check or Visa/MasterCard Credit or Debit Cards.
